Bibby opens up in Singapore (Nov 28 2008)

Bibby Ship Management has opened a new office in Singapore.

The shipmanagement group said that it had invested in the Singapore venture to allow greater access to the Southeast Asian market.

Bibby already has offices in the Asian shipping centres of Manila and Mumbai, as well as European bases in Sevastopol, the Isle of Man and its headquarters in Liverpool.

Group managing director Jon Osborne said: "We are delighted to announce we are opening an office in one of the world's most important shipping hubs.

"Singapore will be a key location for us and allow existing and prospective clients to deal with us in more places across the globe".

The new office, Bibby Ship Management (Singapore) Pvt Ltd, is located on Jurong Port Road.

A Bibby spokesman told 'TANKEROperator' that the aim was to target gas tankers (LPG/ethanol), chemical tankers and product tankers, as well as other vessel types in the Asian region.
