

## Training and Competence Assurance

### The right skills

At Bibby Ship Management, training and competence is not merely an aspect of our service, it underpins our entire philosophy on manning. Today's marine and offshore environments demand the highest levels of training and competence and to help achieve this we have a dedicated and highly committed Training Department.

With a comprehensive knowledge and understanding of legislative, statutory and industry training requirements, coupled with our proven management systems, network of training providers and bespoke competence assurance programmes, Bibby Ship Management ensures its clients' seafarers and offshore personnel have the right skills for any job.

### A leading industry training provider

Reinforcing our commitment to developing the skills and competence of seafarers and offshore personnel alike, Bibby Ship Management has established its own training centres in India and Ukraine.

All of our programmes are designed to provide seafarers and offshore personnel with the skills and knowledge that can help them get the most out of their careers. With our own fleet of merchant and offshore vessels, and through working with the leading industry bodies, we deliver the training and competencies required to maintain the safe and efficient operation of modern vessels, units and industry equipment.
